

SMALL

Small Boats

Let's join forces in the fight against human smuggling!

Help save lives.

Police

Criminal organisations use rubber boats, among other things, to smuggle migrants.

This high-risk method of transport costs lives.

Women, children and babies are sent out to sea by smugglers under threat, coercion and physical violence.

LET'S JOIN FORCES IN THE FIGHT AGAINST HUMAN SMUGGLING! HELP SAVE LIVES.

Suspicious vehicles heading for the coast:

- usually with foreign number plates
- packed with groups of people
- or carrying boats, jerry cans, motors ...

Suspicious objects on the coast:

- Boats hidden or buried
- Abandoned jerry cans, sleeping bags, tents ...

Groups setting out to sea in a small boat in the evening, at night or early in the morning.
